They are the enemy and horrible to me and mine and they are organized gang stalkers socio's and psycho's (but I got related family whom are really good people and like my close circle family household)  
I on the other hand want everything of my exclusive uttering life work research&developments of theoretic solutions and wishes etc to be retained (not released) unless to a worthy activist dynamic expert managements entity considered as my internal DREAMTEAM Legacy good "guys", either a existing organisations submit their interest for the role etc or a eventual sure private dynamic good people expertised managements. To keep by the law of beneficitality/heritage or kept in trust for free.. And surely I would love Pictet the financial capital full management/pragmatisms firm to get mine in their VIP client projects. I have not contacted them yet but the firm looks very good to me anyways, they plan and pragmatize in neutral client focused interests finding their gentlemen's acts, I'm sure if it's said they may manage my content and fuzz I'm sure they'll accept the duty and mine not given as heritage choice to take or leave but obviously the real deal for them.  
Until further other more Internal independent manage®ments I call my DREAMTEAM or MY LEGACYDREAMTEAM IN CASE SOMETHING GOES WRONG WITH ME.  
well place my Legacy digital archive content and mission to an own activist Research&Development group whom to continue my resolving and stand legal grounds in it all..

My material posessions what matter are art works I made and some electronic devices such as old drives and for instance the clock radio what radiated me with a magnetic field burst I bough from next door when I moved in here... What all together fits in a box.

NO FAMILY IS ALLOWED IN MY HOME NOR MY POSSESSIONS NOR ANY RELATION TO DO WITH ME NOR WITH MINE IN THIS ACCIDENTAL CASES. GREENPEACE AMSTERDAM NOONE ELSE. **PERHAPS A REVOLUTIONARY BIOGAS/ENERGY LEAD HARDROTTERS**

I thought proportionally very interested is that something rotting gives a lot of gas/smell but rots away quiet slowly just over days, right. Well, this piece is that I just thought what if a rotting chem\_based material hard non-or almost non -decay composition what delivers a rotting alike gas as in smells and rots but what does not rots/smells away as to not decay but lasting effect of rotting but not rotting away but rotting in certain elements conditions.. If a hard chem based material can be invented what releases a rotting bio gas quite like wet clothing staying wet in the clothing starts to smell, well, if rotting on the outside on outdoor/4seazons/night day temperature and inner water factors I think if something can deliver bio gas closed circle durable release enough to use its imaginable bio gas to for instance non electricity source depending light bulbs quest in my book to actually use the existing technical system a gas for lighters is put in and it transforms the gas into electricity to recherché mobile phone on the go.... But then the light for the 3th world non grid areas can benefit light in the evenings nights and mornings without needing electricity source

nor expensive situations really, what can gas alike rotting smell cost to something what basically is in a conserved rotting state, where on lights and other electricity gear to be potentially provided by this.. Thus, the material has a rotting outline but instead of rotting away the quest material&condition is in a rotting state what but is simply always rotting without decay and without more or less rotting but like a non-transformative non evolving stable constant same rotting state.

I don't know but I got a good feeling about this.

## COMMON SENSE GREEN ENERGY INFRASTRUCTURES FOR ALL COUNTRIES (AND ISLANDS)

The GHLFMM Chapter holds the potential new financial means what I apply few ideas at the end of the project Chapter. Well, it is potentially a very powerful exclusive financial 'Humanitarian' Bank what can make money and implemented if it does not create problems... Well, it seems perfectly harmless to me for the world for GHLFMM-Bank ones developed and working out to define best sense green energy decisions (it spends only as wise as possible) and finance it in its ultra-license/licensing and moralizing detail Bank culture. You'll understand when you have read the GHLFMM Chapter a bit below from here.

If you ask me, green energy for all countries, is a practical detail and I presume we can consider it done? Enjoy!

Oh and Quest to just invent a cable what self-electric state. But safe as in if cut or so it cannot harm but yes indeed will give enough?

END OFF BASIC PRIORITY MISSION TO BE ABLE TO SWITCH OFF THE NUCLEAR ELECTRICITY POWER STATIONS GLOBALLY ALL TOGETHER ASAP, AND THE CLEAN

## **Planning - A financial map for your life**

To define a financial planning and design a strategy that will help you meet your aspirations in life, we will go through several steps. These include setting up a wealth management plan that covers all financial aspects of your life (real estate, tax, succession plans, life insurance policies and pension provisions), and assessing your risk tolerance to set up a strategic asset allocation in the short and long term.

BE EXCELLENT VIP EXPERT DYNAMIC MANAGEMENT, GOOD, VERY GOOD, AND ABOVE ALL;: SERIOUSLY NICE FOR ME AND 'MY WORLD".

Here is a small description I found back of my original planning of my career in managed stage.

- You take very serious any lead, solution or quest what might upgrade a field work it addresses.

You are certainly not a constant emotional feeling, but a active 'real' humane humanitarian expert activist minded can do top expert dynamic humanitarian managers and specialists what can be asked anything to develop in complexity fields.. whom regularly wish the best for humanity and its and nature.

When you have read a first extended draft, you are suppose to have stars in your eyes and wire in fully aware of the chances and the sakes.

You will already be happy for humanity and its and nature, but you realize it requires serious perfect decisions and that the work you are originally hired for to do your thing for I&DreamTeam should be enough to be able to well place or further manage the incentive body of work full factors. A first personal private Dynamic expert management is a matter of asking a quest-ion where on logic comes off well excellent niceness and extended basic stable bettering. It is to support the core purpose activity of my life/career and the DreamTeam staff whom need main basic factors to be managed at best of knowledge and can do a world solving career&pending chances of a extended yet very private and loyal location(s)&group of brilliant dynamic and specialist R&D idealistically producing good sense.

Thus, you recognize when chances are being described, and there is nothing more serious in your career to get sharp and connect in order to help humanity and its and nature.

WHEN I CAN HIRE A PERSONAL MANAGER(S) AND Dynamic R&D HUMN ASSISTENTS AND EQUAL MASTER R&D&MANAGEMENT STAFFS. AND DRAFT HIM EVERYTHING I GOT

AND TELL THE MANAGER: EXECUTE BUSINESS, AND PRAGMATIZE THE ASSEMBLEMENT OF DYNAMIC GLOBAL RESEARCHING, IDEATING, CONCLUDING AND PRACTICAL DETAILS PREPARATIONS & management, ETC. DYNAMIC AND EXPERT 'HUMANITARIAN' THEORETIC ARRANGEMENT/SETTLEING CENTRILZEMENT PRIVATE DREAMTEAM (RE)SOLVING THE WORLD ALLONG WITH ALL PENDING I GOT ON HOLD SOLO NOW FOR THE FIRST MOST IMPORTANT AND ALL INTERNAL EXCELLENTS, TO MAKE OUR HUMANITARIAN DYNAMIC GIFTS, TO FORM A PRIVATE WORK/LIVING LOCATION/SITUATION WHAT HIGHLY SECURED ANYTHING OF AGAINST EXTERNAL PEOPLE&THINGS INTERVETNIONS INTO OUR PRIVATE DEVELOPMENT SOURCES ETC: RESPONSIBILITY, SUFFERING AND STABILITIES AND BAD'S ARE COUNTING ON OUR DREAMTEAM ONLY BUT NOT THE LEAST THAN ON THE BEST OF MINDS AND IN THE BEST OF HANDS, OUR PUBLIC INTERESTS.

A THING ABOUT ANY PROPERTY BOUGHT FOR ME IN MY POSSESSION AND BY ANY GOOD MEANS EXPRESSED SPECIALY IN ALL OUR SPECIAL PREFERENCE/DEMANDS IS THE ONE I DO NOT WANT ANY CLOTHING MADE OF LEATHER ANYMORE AND NEITHER ANYTHING ELSE IN LEATHER BUT INSTEAD THE FINEST NATURAL BEST SOURCES/FACTORS ORGANIC SOURCES APPLIED TO HIGHEST STANDARDS OF BEING EXCELLENT EXPERIENCE. THAT MEANS WE ARE AN UNDECLARED DSICRETE NO LEATHER BUT THE BEST ORGANIC FABRICS MOTTO ENTITY FACTORS AND I REMIND US ENOYEDLY STRICTLY VEGETARIAN(YET BEST NUTRITIONAL/EFFECT)PRAGMATISM MOTTO, STRICTLY

AND PREPARED BY WHAT ONLY BY TOTAL NATURAL CURE/NURISHMENT SCIENTIFIC MASTER EXPERTS QUISINE AND SUPPLEMENTATION OF ALL THE BEST NATURE GOT RECOGNISED BY COMON SENSE LOGIC TOTAL KNOWLEDGE, EACH GET MOST AMAZING HEALTH BASICS IN QUISINE BUT ALSO SUPPLEMENTS AND BEEFING UP KIND OF FORCE TASK SUCH AS THE SECURITY STAFFS ETC, OTHERS CALMTH TO THINK AND SIT ETC, THE BEST IS AT ORGANIC/MEDICAL BEST, THE REST IS OBVIOUSLY ABSOLUTELY UNLOGIC.

I WANT YOU MY FIRST BENEFITS DYNAMIC PRIVATE MANAGEMENT CRÈME DE LA CRÈME AMONGST SUCH LONDON FIRMS, MY HEALTH IS A PRIORITY ASSIGNMENT/PURSUES WHAT MAKE ME HEALTHY AS POSSIBLE (ON CHECKING ALSO ALL ILL I COUGHT UP BY SLEEPING WITH LADIES IN RELATIONSHIP WITHOUT A CONDOM(&CURE ME FROM THESE DEEP BUGGS) AND BY MEDICALLY POTENT ILLNESSES PREVENTING CURES, incl ERADICATING ANY LINGERING CANCER CELLS IN ME AND TO LET ANALYSE AND PREVENT ANY GENETICALLY PROVEN UPCOMMING DISEASES IN ME. DON'T WORRY ABOUT MAKING AND KEEPING ME CANCER RISK FREE, I FOUND OUT SOME MAJOR BASIC BIG POTENT PLAYING ANTI

CANCER HEALING GOODS SUCH AS THE 4 HIGH CELLS/PHYSICALITY OXYGENATING MEDICAL PRESCRIPTION DRUGS WHAT COMBINED ARE EXPONENTIALLY EFFECTIVE BECAUSE IT IS PROVEN CANCERS GROW WHERE A CHRONIC LACK OF OXYGENATED PHYSICAL PARTS, 1) I SEARCHED AND FOUND AND INCLUDE HERE LINKS TO MOST CANCER PREVENTION STATE OF THE SCIENCE.

BACK ON EXCLUDING CANCER QUEST, WELL, I EXPECT FROM MY FIRST GENERAL PIRVATE MANAGEMENT TO FIGUR OUT ANYWAYS HOW TO RIP LINGERING CANCER CELLS AND PREVENT AND KNOW HOW HOW TO EXCLUDE CANCER PROBABILITY, 100% SUCCESFUL AS IN JUST AT BEST AS IN PERFECTLY WELL NOW A DAYS. I ADD, THE CONCLUSION ON ALL HEALTH FACTORS AND GENERAL PRAGMATISM CONCLUSIONS, WELL THE DIET(S) AND SUPP's AND FOR INSTANCE (PACE) EXERCISING PROGRAM, TO NOT ONLY MAKE ME BENEFIT STABLE SURE HEALTH OF ME BY YOU ALL BUT ALL MEMBERS OF MY PRIVATE DREAMTEAMnother STAFF MEMBERS TO GET ALL CANCER/DISEASES/PERSONLISED DIET AS EXTRA ONTOP OF WAGE AGREEMENTS AND OWN VILLA PRIVATE FREE TIME HABITAT AT AND LATER IN THE LARGE PRIVATE WORLD RESOLVING/INVENTING HUMANITARIAN/GOODCAUSESBUSSINESS DREAMTEAM RESORT ON THE SOMEWHERE HERE MENTIONED 50km<sup>2</sup> ATLEAST OF PIECE OF OWN LAND TO KEEP THE WORLD OUT BUT ALSO "SO TO SPEAK TO BE ABLE TO WORKnSWIM NAKED" ☺. BUT THE PREVENTIONS OF THE MAIN&ALLPOSSIBLE PREVENTABLE AND CURABLE DISEASES AND THE CURING OF THE ONES WE HAD COMING, WELL, THE KNOWLEDGE/KNOWHOW CONCLUDED AND MANAGEDLY ORGANISED AND PROVIDED, FOR THIS LOGIC PRAGMATIC KNOWLEDGE TO BE MADE PUBLIC IN VIRAL INTO THR LIVING AND WORK PLACES ETC FOR ALL TO KNOW THESE SUPER CURES AND PREVENTIONS NOW A DAYS KNOWN ULTIMATELY ALMOST - WELL AT BEST. AND LIKE 'MY HUMN' BOOK CONTENT MENTIONED FOR MODERN COUNTRIES WITH SOCIAL MEDICAL INSURANCES FOR THESE INSURANCES OR GOVERNMENTS TO PROVIDE FOR FREE ALL CANCER CURES AND OTHER PREVENTIONS PREVENTIONS AND CURES, RATHER THAN TO CURE THE CUREPOTENT NATURAL CURES ARE PERFECTLY EFFECTIVE IN PREVENTING ANY DISEASES I PRESSUME OF THE MIRACLE NATURAL PLANTS WHAT HOLD UP ON SHOW PREVENTION AND CURES TO NUMBEROUS SERIOUS DISEASES JUST BY THEMSELVES.

ANYWAY, A LITTLE MORE ON CANCER(CELLS) CURING AND PREVENTION I FOUND PAST YEAR..,

Stanley Riddell and Fred Hutchinson Cancer Research Center holds I think to see here on my paper some potent immune system adaptation to recognize cancer cells kills them in almost all patients.. 3)

ANYWAYS, I GOT ALSO MUCH CANCER CURING FRONTIER SCIENTIFIC/PROVEN KNOW HOW's of the webpage: <http://www.cancerfightingstrategies.com> SOME BASIC BIG CANCER FLUSHERS ARE PRESENT ON THIS GREAT CURES/PREVENTIONS INFO SITE, BUT JUST NOT PLANTS NOR DIET NOR MOVEMENT I KNOW ARE ALSO TOP INFLUENCING ANTICANCER FLUSHERS. USE TO RESEARCH&CONCLUDE ALSO THE SOURCE: [www.top10cancercures.com](http://www.top10cancercures.com), and any other know how sources etc. of course.

NEXT HEALTH IS MY DEFICIT OF INTELLECTUAL/CREATIVE STAMINA/LUST/SPARKLES.

SPEED WORKS not-PERFECT FOR ME, WITHOUT SPEED THE WORLD AND HUMANITY WOULD HAVE BEEN DOOMED TO FAIL TO GET IT ALL NORMAL NICE AND GOOD LIVING OR USEFUL LY RE-SOLVED NOT BY ME AND BY NOONE, I AND IT ARE A SUPER WINNING TEAM, BUT I OF COURSE I FOUND THE DIAGNOSE ON THE INTERNET, I HAVE ADD ATTENTION(SPAN-O,1) DEFICIT DISORDER.

I HAVE A SERIOUS ADD DISORDER HANDICAP, AS IN NOT ADHD BUT ADD, WELL I NEED DEXTROAMPHETAMINE I PRESSUME HAVING READ PATIENTS REVIEWS ON ALL MAJOR ADD MEDICATIONS THIS ONE CAME OUT AS LEAST EXTREME AND MOST REWARDING, TO WORK TO MY FULLEST KINETIC POTENTIAL NORMAL AS THE DREAMTEAM WORLD RESOLVERS STAFF'LL ON MINE AND FOR ME AND WE AS ONE AND OUR DEMANDING BONDS,

GET ME DIAGNOSED AND THE MEDICATION ASAP. I DO NOT ABUSE SUCH MEDICATION, I AM REALLY RATIONAL I WANT IT ONLY FOR PRECISE TOPS HALF WORK DAY SPECIAL INTELL.FOCUS.

ON TOP OF THIS MEDICAL PRIORITY ASSIGNMENT WHAT WE, MEANS ON ME 'ON BY GENERAL FULL PRIVATE DYNAMIC LONDON MANAGEMENT FIRM, THIS ONE I JUST ONLY MATERIALISE US NOW HERE, I GOT A REALLY WEAK WEIRD MEMORY - SELECTIVELY OUT OF THE BLUE CLEAR VISION/SITUATIONS/FACTORS RECALLS, BUT ON THE OTHER HAND I DON'T REMEMBER MUCH OF MINE IN GENERAL OF THE WRITTEN WORLD EVEN LESS SAY NOTHING.

WELL, I KNOW THERE EXISTS ALREADY VERY EFFECTIVE KNOWHOW MEANS HOW TO GO FROM FORGETFUL MEMORY LACK AND RECALL PROBS INTO 100% MEMORY OF ANY DETAIL OF LIFE AND WORK AND OPTIMAL PRAGMATIC RECALL ABILITY TO GET BACK WHAT I NEED/WANT TO WORK WITH, BUT ESPECIALLY ALSO BECAUSE I WANT TO REMEMBER ALL THE BRILLIANT GREAT LEADS, QUESTS AND SOLUTIONS I MADE OR AM WORKING ON BECAUSE I CRY OFTEN BUT I COULD BE SO HAPPY TOO BUSSY BEING AS INTELLECTUALLY AS CONSCIOUS AS POSSIBLE OF ALL THE GOOD NEWS AND EXCITING THRILLING CHALLENGES REMAINING UN(RE)SOLVED ETC.

((I ACTUALLY HAD A BIT OF A PRESSURED TOPIC THOUGHT ON MEMORY PAST WEEK, I MOISTURED UP A SCIENTIFIC ATTEMPT LEAD WHAT IS A WORD OF A NEUROBIOCHEMICAL HAVING FACTORS RELATED TO MEMORY ALLOT BUT JUST A BIT COMPARED TO WHERE I WANT TO GET ME CONDITIONED, 'ADRENALINE' IS THE KEY MEMORY CREATION LEAD, IT IS OBVIOUSLY A WORD WHAT IS ABOUT SURVIVING AND SLEEPLESSNESS "RATHER THAN SO TO SPEAK TAKE A NAP IN THE MIDDLE OF THE BATTLE FIELD AND DIE", ADRENALINE CREATES MEMORIES FOR LIFE (IF THE TRAUMA MEMORIES NOT ERASED, BUT I WANT QUITE SOME TRAUMATIC NASTIC DEMONIC FELLOWS MEMORIES OF ME TO BE NICELY SOFTLY EFFECTIVELY DELETED OUT OF MY MEMORY SO MY MEMORY BECOMES EQUALY NICE AS MY CAREER WAS ALL ALONG THESE HELL SNAKE PITS AND FRONT LINES I ENDURED VERY BRUTAL INSANE CRIMINALIZING ME WHILE I WAS THE SERIOUSLY HARMSOT VICTIM, ETC, IT IS A MIRACLE I SURVIVED THEM ALL IN THE WORKERS CHAIN I FELL SCARED AND IN VAIN AT RISK TO DIE DENIED BASIC HELP THEIR JOB SHOULD BUT INSTEAD GOT AT ME UNIMAGINABLY DISMORALIZING TO LOGIC LICENSES TO LISTEN AND BELIEVE AND HELP AND CONFRONT THE CRIMI'S GETTING AT ME ETC. SUCH DETAILED MEMORIES AND SOME OTHER SERIOUS DEMONIC 3rd PARTY DISHUMANITARIAN ATTACKERS ETC

MY BADS ALSO.

THIS IS DISCRETE PRIVATE PERSONAL SECRET ASSIGNMENT WHAT BEST NOT BECOMING PUBLIC KNOW HOW, UNLESS ME&CREW CONSIDER IT WURTH THE DOWNFALLS FOR SOME BAGGING REASONS BUT I OPT OUT -NO MEMORY OPTIMALIZING FOR JOHN DOE ETC OUT OF MY WILLING HAND FORSEEN.)

- A SIDE YET BASIC ESSENTIAL THING TO FIX &MINE -ASSIGNMENT: I ONES RENTED A HOLIDAY RENTAL FOR A WEEKEND, WELL, NIGHT I WENT TO BED BUT THE HOLY IN THE MORNING WHEN I AWOKE I AWOKEFELT SO SO SUPERWELL IT WAS UNBELIEVABLE AND SURPRICE HOW OPTIMAL I WAS MAGNIFICISANTLY RESTED N AT BEST, REALLY AMAZING MATRAS WHAT WAS HEAVY AND FULL..THE MATRAS I WANT IN THE PROPERTY WE ARE GONNA SEARCH ME IN THE SOUTH OF COURSE I WANT SUCH TOPNOTCH MATRAS EFFECT OF OPTIMAL SMEEP AD AWAKEN, KNOWN FOR DOING MIRACLES SLEEPING ON AS AWAKING OPTIMALLY TOTALLY FREE OF ANY AGONY AND A VITALITY.. "THE MATRAS IS EVERYTHING ☺"

Add to some upgrading full bio chemical and ergonomics etc by my DREAMTEAM our Chef cook genius, is to be also in chemical potents very well forseen ourselves with the personal/medically proven diet is for quiete some of us at our resort will have frequently stages where the masterworks each our expertise must sit some days to work on desk, well, for these non moving periods and actually all the time is for this sitting to be compensated by biochemicalergonomiclly supplements what make our physicality be active just like if moving enough. Red wine is the bad example but a glass is equal to one hour exercise, well alcohol is not an option and waiting or making ourselves a pill out of a glass red wine without the alcohol like some try already to invent.. well, we need to be at best wished health as if exercising and moving enough thus this is the quest we must define combo's how to activate our physicality in way it is as healthysitting as it is to ercercise, and a combo to at best support all of us to work physicality to be optimally conditioned so we all have a bit of a super condition what makes us do our DREAMTEAM resort tasks with minimal physical complexes and with nice stable ease, in most healthy ways.. well, our chefs who I want to nurish each of us all personally medically etc incl regular blood tests and other analytics and if called bit in advance each of us will want to eat at best own planning, thus also checking our muscles etc, hereby is that the kitchen(s) to also provide all the above and more imaginable wishable parts of our diet made for us including supplements in full supplementations at best, and thus hereby the full at best whole physical mental potentials imaginable we must collect potent means to so condition us and conclude and apply ad become beneficials of super great biophysical wishable conditions conditioned.

Something else, you know all buildings and private villa of staff members hold a bomshelter ey, well, I thought it would be at best to research and develop shelter

nutrition what fully keeps healthy etc well I thought the nourishment to be stocked in "vaten" tons under the floor in double deep mid open .. well, the containers of nourishment to hold very much some sort of fluid paste alike what just needs a bit of intake like half a glass but what so also excludes to feel hunger and be at ease ok, the nourishment to hold all each needs to stay healthy as good as on a full diet.

That's all.

I add here I just thought joyfully again like usually when I monologue on sinfall minor good outcome of really ok sweethearts pro people loyal good doers successful offsprings, well on my dad's side is a brother of him pierre and his immer equally joyfully pure ok warm people couple whom of very close with their really large household of kids with themselves grandkids and grandgrandkids and remarkable as ever each single member of their family tree are all very ok ad very loyal social and immer bstrong bonded and in regularity spending large all kids gathering weeked day, well, so far I want us to send one of our dreamteam to go and get to know each and especially expecting to positively can comfirm they are indeed really ok and super joyable and well perrenting and flawless growing up, 1) I add also I have on my mom's side the 2 kids of her brother and the anti mother still alive but she's antichrist systematics second nature cold stop on good talk with me, the son of them is a really great ok pure sweetheart and I hope his household members are too, so he anyways is up for full VIP full advisory management and facilities beeficial of us, and he has a sister which our delegate'll have to get to know to see what part of the issue she broke in degradive deforce fight with her mom before she was deciple and perceptible of psychopathic antichrist typical routines, she might not be as ok or ok enough as she used to be a jolly charm either but she is very devoted into charities in Africa where she regularly donates much of her financial potential annually atleast and annually or so travels to Africa into the fieldwork for delegation and personal visits of fieldworks etc.

And there has been a girlfriend I have dated a short time when young adult, her name is Anke and is a real jolly ok people peole person and she is the only one still standing as class act honor for all who experience her attention at work and at home etc, see if she's still really ok flawlessly and as I presume I want us to discretely make her beneficial too for more fun so she can lif in luxery like a beautiful blessing she is I personally was known by and have known, she'll show all the means so perfectly super charmingly joyful and with respect.

**ever. I want us to live for ever thus for 1000nds and 1000dns till eternity, but the populated world where ever I see it on the maps in continent style etc I just get the creeps there is nothing worthwhile to risk to put anywhere foot on ground as geologically and regioaly and internetinally neighboring will always be potentially very evil intnetions towards us and not least I figure there is probably no really 100% secure way to get surely safe to anywhere of it and o top of this argument is our resorts are our home paradise and ideal luxery properties and DREAMTEAM activites etc where alsoour shelters.**

clinched my vagina and was very  
troubled in my facial expression,**

**but what she forgets is it is not her story of the sex what is indeed on lie detector true in what happened (the clinching and be very troubled which would be a is this true she could yes as true not a lie but the question what should be asked is were you raped by Dirk or not what she so should say yes but knows the answer is no but she is a witch and mindcontrol and may other very expert skill in mindreading telepathy gangstalking probes with needles etc obviously is she even warn always sneakers with flames on the sides as in burn witch.. and I can be asked if I raped her and my answer will be truly no but she can probably easly ake herself believe she got raped and so her yes could clear as true, but we obviously gotten**

**consensually naked to have sex and did ofcourse especially on her request tease me into bed. The thing is I am true but she can be asked perhaps if she faked the clinching and troubled look as in not by being raped but as fake act while the sex was consensual ofcourse and was the whole way consensual.**

**And another woman few days later visited me at home by surprise to have sex with me as in she was really into having sex with me but when we were naked on the bed and having sex she too looked very troubled suddenly and thus also has faked a troubling sex with me as I to fake a rape face..The good thing is she is not the type to fake an answer on the liedetector as in not to get her answer to be yes I did got raped by Dirk but probably**

**her true answer is still no but who knows really ey.**

**We can also asked the friend of kim about the fact she seduced me for hornyness to have sex with eachother I think her answer on this one I think she did not alter her emeory etc in yes I got raped but still the truth as in yes se did few minutes before seduced me into bed to have sex with her as horny she was ..**

**Anyways, I think she actually did not did this for the lie detector truth but for someone in society she knew to see her story of troubledness and clinching vagina as obviously really happened. So I think she did tell she was really troubled and clinching supe tight the whole ride as her story to be real to a mindreading fellow she probably**

**mindcontrolled the memory of our sex she faked completely including her fake but really well acted super troubledness in her face.**

**Bitches lie but I'm sure we as DREAMTEAM can actually challenge her faking etc by starting ourselves a case to proof she has faked our sex as a rape and framed a fellow or so to believe her enough to think it as happened but not really as in she just needed the troubledness and clinching her vagina the whole time and not telling any more of i. And not just for this act against me but also for the fact she has probed inbetween my ribs with a thick needle on epilepsy on demand I can be put in petit mal small seizure lacking of awareness but she made a mistake as on the needle probe**

**spot I by coincidence felt and  
hurd there was air (bulling) to

something normal not a needle  
probe.. My girlfriend her friend  
was sitting next to her(in my  
home).**

**And more so also probed my  
penis.**

**Lets get these bitches  
DREAMTEAM, if we can get me  
to tell the whole event of  
seduction nd faked rapes etc in  
enough ways ourselves as all  
parts of my story as the truth  
asin the full visit and events as  
without a daubt the truth as the  
whole story truthfully. We must  
also challenge them both faking  
rape why they faked it so well as  
if real rape while I was really**

**been hornfully to have sex with them and so we got to the bed nakd and started but they suddenly looking troubled but of course they were faking their sudden full sex time troubledness, so to charge them to have trapped me by fake enthousiasm and hornynes me into the intercourse they had planned to be the point to visit me at by surprise to frame to each fake themselves a rape event including faking troubledness in their face I found weird but we continued as in I was literally minutes before been seduced happily to have me to give them the intercourse they both were really into me and them offering me sex.**

**We also must get the truth of the to whom they faked it for, who did they had in mind to tell**

**raped, whom did they planned to lie their story.**

**First of all I want to see and work with few activist professionals in the Flemish big sewers for instance inward toward sea side or so etc. I need to see Flemish as they are to me and us: sewer, memory of excurted underground big sewers for atleast enough so it would be my memory about being at the Flemish and Flanders and Belgium ad the dutch but Flemish language and their everything and sound here and**

**rTMS treatments are very rare in Belgium as they all conartistly offer only TMS which is almost no good results what so ever, but rTMS treatments are known by all insiders as perfect neurological treatments. I WANT US TO START DEVELOPING AND PREPARING A rTMS treatments clinic modal what we could apply in all Nations etc. rTMS treatments treath a extended list of neurological conditions and I want us to forsee ALL rTMS APPLICATIONS.**

**I AM IN NEED FOR A rTMS CLININC WHAT CAN TAKE IMAGERY OF MY BRAIN TO SPOT MY MOVED rTMS VOICES AND 6thSENSE AND PTTS SPOT BECAUSE MINE HAS MOVED AND THUS NOT ON THE**

**STANDARD SPOT BUT JUST  
NEXT TO IT.**

**I HAVE ALSO EPILEPTY AND  
ALSO FOR THIS I NEED rTMS  
OR SOME MEDICATION FIRST.  
AND VISUAL HALLUCITNATIONS  
I SEEM TO HAVE TOO a rTMS  
DOES THAT TOO, I NEED THEM  
SO I AM GONNA LOOK INTO  
THE WEIDER EUROPE AND  
WORLD FOR A rTMS CLINICS  
ETC.**

**THE ELABORATED LIST  
NEURLOGICAL TREATMENTS OF  
rTMS IS LIKE A +-10 LONG LIST  
I NOT KNOW THEM ALL BUT  
HERE ARE A FEW BELOW. I  
NOTICE PRIVATE rTMS CLINICS  
WHOM OFFERED THEM ALL  
HERE IN UBRUSSELS AND  
ZOETEMEER NETHERLANDS,  
ALL CLOSED ALREADY  
PROBABLY CAQUSE THEY HAD**

**NO PATIENTS , BUT IT IS BECAUSE PATIENTS SPECIFIC AILMENTS DON'T KNOW ABOUT THE rTMS WHAT CAN TREAT THEIR NEUROLOGICAL SPOT SPECIFIC ILLNESSES, THIS ELABORATED CLINIC(S) I WANT EVERYWHERE WILL HAVE TO PROOF FOR EACH AILMENT IT TREATS THAT THE rTMS FOR IT WORKS AND HOW MUCH PERCENT OF SUCCESS IT HAS AND HOW MUCH EFFECTS ON THE AILMENTS THEIR SYMPTOMS AND FOR HOW LONG THE EFFECTS OF THE TREATMENTS MIGHT LAST IF NOT FOR LIFE TO PERFECTION.**

**THAN IT NEEDS TO DRAW ALL RELEVANT PATIENTS OF THEIR REGION TO THEIR SPECIFIC rTMS treatment FOR EACH DISEASE.**

**AND INFORM ORGANISATIONS**

**AND MEDICAL ENTITIES ON THE AILMENTS ABOUT THE rTMS TREATMENTS AND THEIR SUCCES RAIDS ETC LASTING STATUS CURED.**

**IT MUST BECOME FULL AGENDA AND HELPING ALL SPECIFIC LIST PATIENTS DISEASES WITH THE VARIETY OF rTMS TREATMENTS.**

**WE ALSO NEED TO RATHER HAVE A MULTIPLE TREATMENT SPACES FOR EACH AND OR SCALE UP IF MANY PATIENTS ARE INVOLVED NEEDING THE TREATMENT.**  
**ELABORATED.**

**HERE ARE FEW NEUROLOGICAL CONDITIONS CAUSES THERE ARE rTMS for probably all to perfection.**

**Tinnitus**

**Tremor**  
**Parkinson**  
**Schizofrenia**  
**Visual Hallucination**  
**Drugs Addiction like cocaine**  
**Epilepsy**  
**Dementia**  
**etc**  
**etc**  
**etc**

**At this moment I have very hard time to find a place in Europe what offers rTMS against Schizofrenia, there is one in Brugge Belgium but they only pulse to the standard spot of the condition while my spot has moved next to it so I need a place where they can take medical Imagery to spot the exact location of my spot. I think it is called kEEG, anyways to look for the spot where the schizophrenia**

**symptoms come together as in  
brain activity spot rather than  
the standard rTMS spot for  
Schizofrenia.**

**But it appears there are non at  
first sight, in Europe at all and  
that is totally insane.**

**It also looks like appart from an  
abundance of rTMS for  
Depression and few other  
conditions rTMS treats, so to say  
I am in quiete complete culture  
shock that rTMS is basically just  
offered for couple conditions,  
UZBrussel used to offer the full  
elaborated specific rTMS  
treatments for quiete all what  
treathable with rTMS but to my  
surplice last year they pulled  
back all their treathments and  
offer nomore rTMS, I guess they  
did not have patients for them  
but even so it is a total scandal  
to stop treathing the total list of**

**rTMS ailments just for this reason, atleast a University Hospital should keep on offering them atleastq! So now there is no place in Belgium and neighbor countries for any of these conditions, none. So one of the greatest and most perfect treatment method for a elaborated list of specific ailments/symptoms which are all proven to have very high success rate and most deliver a [perfect life long cure.**

**So basically rTMS cures are basically very heavily being ignored in Europe and around the world as in totally as in non offer most of the rTMS cures, which is a criminal conspiracy what goes around and envolves only few of all the cures and non of the majority other perfect rTMS treatments what so ever.**

**Which is totally unbelievable and bloody amateurism cause all the rTMS cures are proven and licensed by the governments as save etc.**

**It is such a wonderful new way to perfectly cure very severe important diseases their symptoms what of course is like a miracles, yet non do any, which is insane and very sad.**

**There is I think also a rTMS cure for epilepsy.**

**Europe is ignoring a top new cures way to abnormal absents, shame on here! There was a private clinic in Zoetemeer Netherlands whom treated all rTMS cures and with exclusive best medical imageries of the state of the art sorts. But the company and clinic recently has closed ofcourse due to lack of patients, which is a lose of a**

**super cool small clinic whom were offering thus the only full list at one location and at 1250Euro. I am sad they gone cause they were kicking ass like no others, than UZBrussel apart from few major diseases.**

**I fear I find no treatments or few but not even the Schizofrenia one. All are miracles and thus hospitals are obviously not integrating the treatments let alone all the rTMS cures in one place.**

**So non left so far which is a neurological medical scandal! It is kind of expected all treatmens are available condiering they all do a perfect miracle recovery effects.**

**Shameless to deny the [public most of the rTMS cures but few lesser relevants.**
